***** NEW FOR 2010*****

Not only will the annual Tourism & Leisure Show be showcasing its usual high standard of exhibitors ranging from historic houses to theme parks next year, but it will also see the introduction of a new area called “A Taste of Essex”. Highlighting some of the fantastic produce available throughout the County, this area will add another dimension to the show for visitors. Supported by Essex Farmers Markets, the area aims to help visitors make the association with some of the fantastic foodstuffs that originate from the County such as Wilkin & Sons famous preserves from Tiptree.

Carol Jolly organiser of the Show said “In conjunction with this new area, we will also be showcasing some of the Counties wonderful restaurants and garden centres, all of whom provide high-quality, locally produced food, and cater for those all important group organiser and coach and tour operator “meal stops”. The show will also continue to provide visitors with its usual array of top-class visitor attractions and destinations throughout the East and South of England, making it an enjoyable and informative day out.”

A Courtesy Coach provided by Florida Coaches, will run every hour (starting at 9.40am) from Witham Railway Station to the Venue, and if visitors are coming from the Southend area of Essex, then they also have the option of travelling in comfort with Kirbys of Rayleigh, who will be running a coach from their premises at 10.00am, leaving Five Lakes at 3.00pm for the return journey. There is plenty of car parking at Kirbys, and those interested should call Karen Kirby on 01268 775879 to book a seat.
